To ensure our guests enjoy some of the best fishing adventure in the world, we only operate our resort when the fishing conditions are at their prime, generally between May and September. With a limited calendar, space at QCL generally books up quickly. Most of our guests plan their return trips as they're leaving the lodge, book their trips tentatively, and call us to confirm shortly thereafter. To help you plan for 2024, here is the Dates and Rates schedule for next summer.

A few years back we introduced direct flights to Masset from locations other than Vancouver, particularly from Alberta. It's a good fit for many so we're offering similar choices for 2024. Vancouver is nice but having the ability to travel straight to the lodge on the morning of the trip makes huge sense for many Albertans! (It's pretty nice arriving back home in time to have a salmon barbeque on the return day!)

For 2024, in addition to our Vancouver flight, we're planning direct flights to Masset and QCL on the following dates:

Trip 5	Friday May 24 – Monday May 27	Calgary, Edmonton & Vancouver
Trip 7	Friday May 31 – Monday June 3	Calgary & Vancouver
Trip 9	Friday June 7 – Monday June 10	Calgary & Vancouver
Trip 11	Friday June 14 – Monday June 17	Edmonton & Vancouver
Trip 15	Friday June 28 – Monday July 1	Calgary & Vancouver
Trip 27	Friday August 9 – Monday August 12	Calgary & Vancouver

We've certainly discovered that there is a lot of interest so be sure to contact our office soon to secure your seats. Ask our adventure travel experts how easy it is to make this dream fishing trip a reality!
